

Ultra Drive™

Truckload / LTL and P&D applications

A drive tire engineered to deliver all-weather traction

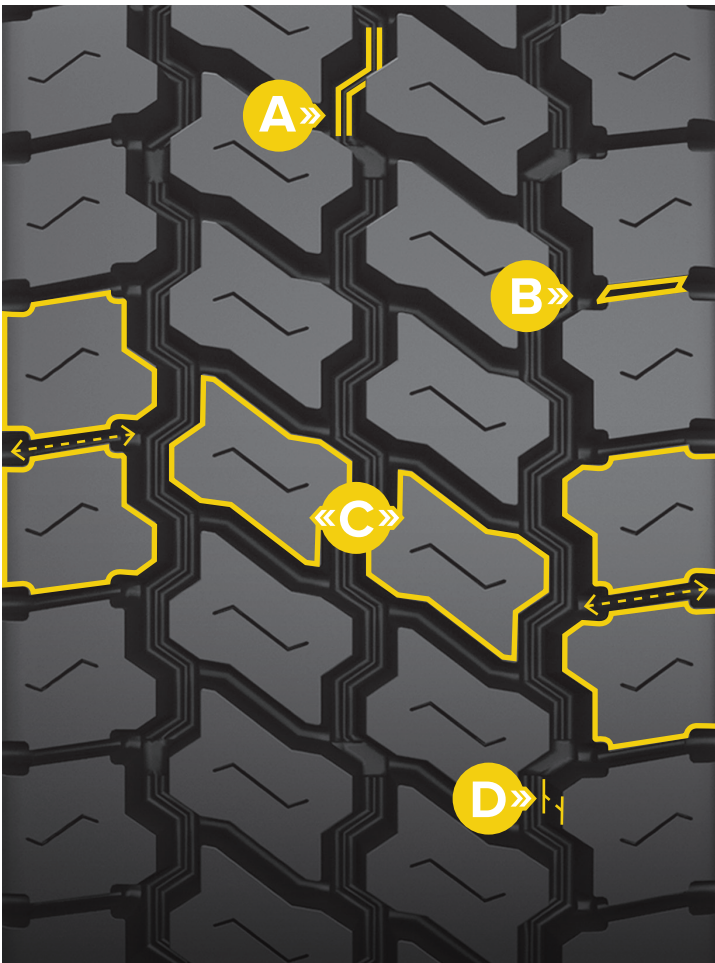

All-weather Traction • Deep Tread • Long Wear

THE FEATURES RUN DEEP

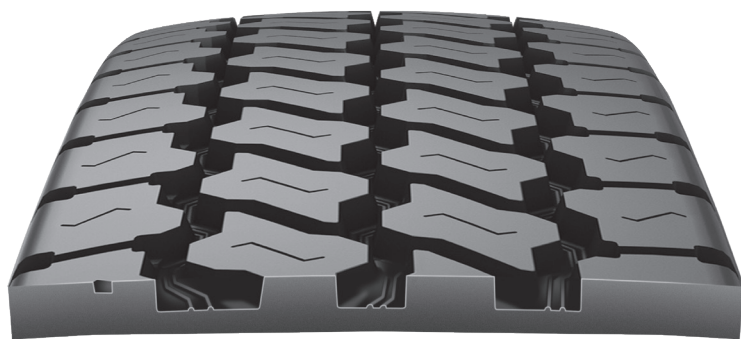

Bandag's Ultra Drive tire features a deep, 26/32nds, all-weather tread pattern that offers reliable traction. A tie-barred shoulder helps provide lug stability and minimize irregular wear contributing to long tread life. This retread tire is suitable for distribution, LTL, and truckload applications.

bandag Ultra Drive Design Benefits

- A Stone Penetration Protectors**
Fight stone drilling
- B Tie-barred Shoulder**
Helps provide lug stability and minimize irregular wear
